LEGAL POSITION

Under the Equality Act 2010, it is unlawful to discriminate against an individual on the following grounds:-

- Age
- Disability
- Gender reassignment
- Marriage and civil partnership
- Pregnancy and maternity
- Religion and belief
- Race
- Sex
- Sexual orientation

In Section 4 of the 2010 Act, these are known as 'protected characteristics'.

EQUAL OPPORTUNITIES POLICY STATEMENT

Brixworth Parish Council will not knowingly act in a way which is contrary to The Equality Act 2010, with regard to employment of staff or provision of services to the public and recognises its obligations under the Sex Discrimination Acts, Race Relations Act, and Disability Discrimination Act.

All employees will be afforded equal opportunities in employment, irrespective of disability, gender, race, nationality, religion, age, sexuality, marital status, parental status, caring responsibilities, social class and hours of work. Brixworth Parish Council opposes all forms of unlawful and unfair discrimination.

All employees of Brixworth Parish Council will be treated fairly and equally. Selection for employment, promotion, training, remuneration or any other benefit will be on the basis of aptitude and ability. All employees will be helped and encouraged to develop their full potential and the talents to maximise the efficiency of the organisation.

COMMITMENT TO POLICY

Brixworth Parish Council supports the principles and practices of equal opportunity and recognises that it is the duty of all councillors and employees to accept their personal responsibility for fostering a fully integrated community at work by adhering to the principles of equal opportunity and maintaining racial harmony.

Brixworth Parish Council will actively promote equal opportunities throughout the organisation through the application of policies which will ensure that individuals receive treatment that is fair and equitable and consistent with their relevant aptitudes, potential, skills, experiences and abilities. The Parish Clerk will seek to ensure that all employees comply with these principles.

Brixworth Parish Council will ensure that individuals are recruited and selected, promoted and trained on objective criteria having regard to the relevant aptitudes, potential, skills, experiences and abilities. In particular, no applicant will be placed at a disadvantage by requirements or conditions which are not necessary to the performance of the job or which constitute indirect unfair discrimination.

Reasonable adjustments will be taken where a disabled person is put in a detrimental position and such reasonable adjustments remove the detriment.

Brixworth Parish Council recognises the problems that sexual or racial harassment may cause at work and is committed to ensure that such unacceptable behaviour does not take place. Sexual harassment includes (but is not limited to) unwanted physical contact, suggestive remarks or behaviour, compromising invitations, demands for sexual favours and similar unwanted behaviour. Racial harassment is similarly unwanted treatment but is concerned with derogatory treatment and language on racial grounds. All forms of harassment are abhorrent and will not be tolerated by the Parish Council. Sexual and racial harassment are regarded as unlawful discrimination and additionally may also be subject to criminal proceedings. All such cases will be dealt with under the appropriate Grievance and Disciplinary Procedure.

Brixworth Parish Council recognises that the detriment a disabled person endures as a consequence of their disability can, in many instances, be removed by the adoption of reasonable adjustments. The Council is committed to ensure that such adjustments will be effected where reasonably practicable and where the detriment is substantial.

TRAINING AND ADVERTISING

Brixworth Parish Council will train, develop and promote on the basis of merit and ability only. When vacancies are advertised the Parish Council will continue to ensure that such advertising, both in placement and content, is compatible with the terms of this Policy. In practical terms this means that the wording of advertisements will be carefully scrutinised to ensure that any hidden discrimination is avoided or that sexually, racially or disability loaded wording is avoided.

Every effort will be made to ensure that BPC advertisements that are placed in the Brixworth Bulletin, on parish notice boards and on the website are done so that as wide a readership as possible has access to the vacancies.

COMMUNICATION

The principles in this Policy will be brought to the attention of all councillors and staff.

All councillors and employees are encouraged to bring to the attention of the Parish Clerk any act of discrimination they observe.

Councillors and employees who are newly disabled are encouraged to bring this to the attention of the clerk to enable a review of their treatment to be made. This review will include an assessment of physical features and arrangements to ensure that these do not place the disabled person at a substantial disadvantage.

Where they do, then adjustments will be effected where reasonable to do so.

SEXUAL AND RACIAL HARASSMENT

Sexual and racial harassment are both forms of unlawful sex and racial discrimination and as a consequence is unlawful behaviour. It is also improper and inappropriate behaviour which lowers morale and interferes with the effectiveness of people at work.

It is the policy of this organisation to make every effort to provide an environment free from sexual or racial harassment and intimidation.

All councillors and employees are expected to comply with the policy and to ensure that such conduct does not occur. Appropriate disciplinary action including summary dismissal for serious offences will be taken against any employee who violates this policy.

MONITORING

The effectiveness of the Equality Policy will be monitored and reviewed on an annual basis.
